Scioto County Board of Health Resolution 09-05

--- Whereas, The Ohio Department of Health, Division of Prevention, Bureau of Environmental Health has made available to the 88 counties in the State of Ohio a Public Health Infrastructure Grant and;

--- Whereas, no more than one project will be funded per county, and;

--- Whereas, the grant titled Public Health Infrastructure will address bioterrorism, other outbreaks of infectious disease, and other public health threats and emergencies at the county and regional public health level and;

--- Whereas, qualified applicants must have a full-time administrative triad to include a full-time Health Commissioner, a full-time Director of Nursing and a full-time Director of Environmental Health, and;

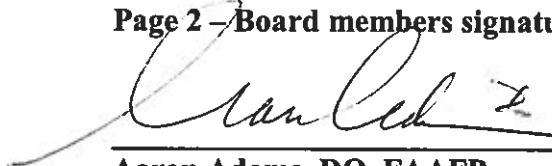

--- Whereas, the Portsmouth City Board of Health and the Scioto County Board of Health have worked well together in past bioterrorism and other public health threats and emergencies and have trained together for the events and;

--- Whereas, the Scioto County Board of Health does not currently meet the administrative triad as required by the Ohio Department of Health for the Public Health Infrastructure grant;

--- Therefore, Be it Resolved this 20th day of May 2005, the Scioto County Board of Health agrees to partner with the Portsmouth City Health Department and apply for the Public Health Infrastructure grant totaling \$152,829.00, to be administered by the Portsmouth City Health Department.
